Far away, behind the word mountains, far from the countries Visalia and Consonantal, there live the red texts. Separated they live in Bookmarks grove right at the coast of the Semantics, a large language ocean. A small river named Durden flows by their place and supplies it with the necessary regalia.

A small river named Durden flows by their place and supplies it with the necessary regalia. But nothing the copy said could convince her and so it didn't take long until a few insidious Copy Writers ambushed her, made her walk with Lunge and Parole and flagged her into their agency, where they used her for their projects again and again

### Section 2

It is a paradisiac country, in which roasted parts of sentences fly into your mouth. Even the all-powerful Pointing has no control about the red texts it is an almost unorthographical life One day however a small line of red text by the name of Lorem Ipsum decided to leave for the far World of Grammar.

The Big Oxmoor advised her not to do so, because there were thousands of bad Commas, wild Question Marks and devious Seminole, but the Little Red Text didn't listen. She packed her seven Versilia, put her initial into the belt and made herself on the way.

- When she reached the first hills of the Italic Mountains, she had a last view back on the skyline of her hometown Bookmarks grove, the headline of Alphabet Village and the subline of her own road, the Line Lane. Pitifully a rhetoric question ran over her cheek, then she continued her way. On her way she met a copy.<sup>1</sup>
